

## Gucci Rag Top

Kid Sister

Go distract me, it was good to go!  
Gucci rag top, Gucci rag top,  
With the Gucci, Gucci rag top!  
With their Gucci, Gucci rag top!  
With the... Gucci rag top!

Gucci rag top, bad socks...  
On the damn zodiac,  
Swinging in my ear,  
Tripping...  
Pocket full of cash, popping, popping tears,  
Yes, guess... Burn calorie,  
Damn, what's the name...  
Looking, looking at your girl  
Like I ain't never seen them!  
No you haven't, I'm the baddest,  
And no bitch you can't have this!  
... I'll put a rabbit on my hat like I was magic.  
I'll... while I hollow at your man!  
Call yourself a cab, cause I'm calling outta...  
He can't help it...  
... in my Gucci rag top!

With the Gucci, Gucci rag top!  
With their Gucci, Gucci rag top!  
Gucci rag top, Gucci rag top!  
Gucci, let's go!

Is Gucci mind the money...

Gucci got interior, haters are inferior,

And I say it two times,  
Cause... Gucci two times,  
Gucci, Gucci...  
It ain't nobody...  
Ain't nobody... women,  
Ain't nobody...  
Gucci!
