

Cherry Mango

Kida Kudz

Baby tell em to the dance floor
OMG is another banger (YANSTAND)

Jiggy Jiggy boyz

Girlie get down to this tempo
No go play you like Nintendo
Keep you shaping let me spend doe
Take it easy I'll be gentle
See me I no get no temper
Let me take you to the centre
I got many things on my agenda
I will hold you down forever

You know what I no get enemy (I no get enemy)
Baby so what are you telling me
I don't wanna drain my energy
Anything you want girl say to me

You know you sweet like sherry mango
Taste like cherry mango
Ripe like cherry mango
Your face like cherry mango
Baby no dey shakara
No day use me shakara
No dey do me shakara
Shakara shakara

Baby no go make mental
When I pull upon be rental
Sinorita mamacita, them girls hating they so bitter
I like it when you holly my name
So blessed and I can't complain
Even in the sun, even in the rain
Give it to me make you scatter my brain

You know what I no get enemy (I no get enemy)
Baby so what are you telling me
I don't wanna drain my energy
Anything you want girl say to me

You know you sweet like sherry mango
Taste like cherry mango
Ripe like cherry mango
Your face like cherry mango
Baby no dey shakara
No day use me shakara
No dey do me shakara
Shakara shakara

You know you sweet like sherry mango
Taste like cherry mango
Ripe like cherry mango
Your face like cherry mango
Baby no dey shakara
No day use me shakara
No dey do me shakara

Shakara shakara
