

Don't Be Shy

Kida Kudz

And you want to naughty tonight

Know you want to get naughty tonight
Call all your friends
I'mma call my guys
Sexy, got me hypnotized
Nasty when I'm spreading your thighs
Yeah, and they say real recognize
I was lost wanna book your flight
Baby, you know
You just my type
Na true I talk
I tell no lies

No send them jealousy
Know say then jealous we
Omo meta ni ma bi
Only you ko si elo mi
I'mma hold you down forever
Our secret please don't tell
For you girl I'mma keep it real
Hold me down I'm keeping still

Hey sexy mama please can I get your number?
And my love is so strong but trynna make it stronger
Don't be shy
(Yeah yeah)
Baby shake your bumper
What has joined together
Let no man put asunder

Don't go stay longer
Tease me please longer
Lipstick my jumper
You'll see what's under
I don't know of what you want
But I've got what you need
Our love forever
Girl you know what I mean, yeah

Don't send them jealousy
Know say then jealous we
Omo meta ni ma bi
Only you ko si elo mi
Imma hold you down forever
Our secret please don't tell
For you girl Imma keep it real
Hold me down I'm keeping still

Hey sexy mama please can I get your number?
And my love is so strong but trynna make it stronger
Don't be shy
Baby shake your bumper
What has joined together
Let no man put asunder
Yeah yeah
