Ghetto, my first love in the ghetto
Born and raised in the ghetto
I grew up in the ghetto
It's very live o in the ghetto
Fine fine girls from the ghetto
Too many pengtings in the ghetto
All the hustlers from the ghetto
Steady balling like Eto'o

If I see a opp boy in the club
Too naughty go know what's up
He was doing all that talk
And you better back it up
You know we above the law
They gon' have to shut the door
They gon' have to call oyor
And your back against the wall

But on a good day yeah I come with the vibes
The mandem dema recognise
The girl them dema love me die
I give them whatever they like
I see the smile on their face when they see me arrive
All of a sudden saw a couple guys
Hold on, I don't know these guys
So I had to alert my guys
I know say you no won pkain
I done told you one or twice
I won't tell you one more time
You go see yawa tonight

If I see a opp boy in the club
Too naughty go know what's up
He was doing all that talk
And you better back it up
You know we above the law
They gon' have to shut the door
They gon' have to call oyor
And your back against the wall
