

Blessed

KiDi

Sugar daddy
Na naa na naa
Yeah, e yeah

Let them know say
Badman, I am blessed
I never fear no man
Even though I walk
through the valley of death, oh I
Let them know say
They can't touch my destiny
They can't come sit next to me
The more dem hate me
I go higher, higher, higher
Strip

Over me, over
Let thy wings cover me
Oh, I'm anointed
From the head to the toe
Man, anointed
Over me, over
Let thy wings cover me
Oh, I'm anointed
From the head to the toe
Man, anointed

Let them know say man na blessed
Let them know say man na blessed
Let them know say man na blessed
Oh, let them know say
Man, I am beyond every curse

Many men them want make I fall
Jah Jah guide me so I stand tall
Tall, tall at the highest mountain
And the river inside flows like a fountain
Who Jah bless let no man curse
Let no man curse who Jah Jah bless
If you want try me, try me
If you want try me, Jah Jah strike thee

Over me, over
Let thy wings cover me
Oh, I'm anointed
From the head to the toe
Man, anointed
Over me, over
Let thy wings cover me
Oh, I'm anointed
From the head to the toe
Man, anointed

Let them know say man na blessed
Let them know say man na blessed
Let them know say man na blessed
Oh, let them know say

Man, I am beyond every curse

Everybody, everybody, everybody

Feel good, we don't need no bad energy
Spread love to my friends and family
Only good times bring back memories
And me nah stop flash pan my enemies

Make the money and live your best life

Man, anointed

Let them know say man na blessed
