

Come Thru

KiDi

Shoody say you looking for a ride
Show I'm the loving desire
Wonder why they call me Mr. Lover
I take my man dem girl with a rover
She know she a queen
Beside her no body badder
She look like a beautiful sin
She know that nobody badder

Come thru to my yard
Make I show you why I love you
Come thru to my yard
Make I show you why I love you
Come thru to my yard
Make I show you why I love you
Come thru to my yard
Make ah, make ah, show you

You know say me, I run, I run the town
Shorty make I hold you, hold you down
She say, sugar, me I know you are the man
And me no want no other man
Well, you sweeter than honey
Oh, you want to give me that body
Nobody haffi take you take you fee yet
Oh, dirty wine, baby, give me that

Nobody, nobody, nobody, nobody, nobody, nobody, oh yeah

Come thru to my yard
Make I show you why I love you
Come thru to my yard
Make I show you why I love you
Come thru to my yard
Make I show you why I love you
Come thru to my yard
Make I, make I show you

Hey, call me around nine PM
Slide up inna my DMs (Oh, oh)
Ping me 'pon the BBM
Girl, come to my yard
Them nah to fear to block your color, get VPN
'Member me a DGN
Man a general, take you to gym weekend
Girl, are you burst through my heart

You deserve everything that comes your way
Woman I choose you as my queen
No be-because we display
The first time I look into your eyes
I knew that I found my bride, oh, ah
Hurry up and come through make me and you stay

Come thru to my yard
Make I show you why I love you
Come thru to my yard

Make I show you why I love you
Come thru to my yard
Make I show you why I love you
Come thru to my yard
Make I show you
Come thru to my yard
