When you no dey  
I get so jealous  
(Jealous)

Away away away away  
I need you faraway  
Please don't you break my heart (my heart)  
If I ever give you my heart  
Away away away away  
I need you faraway  
Please don't you break my heart (my heart)  
If I ever give you my heart

Why oh why my Amanda  
Do you play me like a ping pong, ping pong?

You just, make me weak and you know  
Something about how you kiss

I need you faraway  
Please don't you break my heart (my heart)  
If I ever give you my heart

I need you faraway  
Please don't you break my heart (my heart)  
If I ever give you my heart

Why oh why my Amanda  
Do you play me like a ping pong, ping pong?  
Amanda  
Ping Pong, ping pong
