Party girl
If she bad Ion gotta ask
Party girl
If she bad
Know the answer ion gotta ask
What's yo name
Tell me where you at
Pull up wit the butterfly doors to the Max
Pull up wit the butterfly doors we gon Match
Shawty like a nigga who don't lack and got lac (cadillac)
She ain't even seen my face
Seen my back she attracted
She ain't leave me on delivered
Cuz she know I got the package
She in my face slide
SLIDE, SLIDE
She ain't even wanna ride I can't let her drive
DRIVE, DRIVE
She ain't even on my time

Shawty say she love me but don't even know what love is
If you like my brother I'ma move on to your cousin
I can't do no love I be thuggin and thuggin
Why you say it is if you knowing that is wasn't
Shawty in the room and she want me to go beast mode
Put her on the track yeah she know I got the cheat code
And she throw it back like she ain't planning to leave though
Putting on my sweats and my sneakers like I need those

I said you must be fooled
She said "you need me"
I can put you out girl it's easy, EASY
She say all you gotta do is feed me money
If you saying please you gotta please me baby

If you saying please you gotta please me baby
Saying that you love me but it's obvious you hate me
You just want the bag and if you could you would escape me
Hop up out the coup in the drop top wraith please

Really wanna get to know you
I don't need ya heart
I don't need ya love
I just want your body
So if you want my body
Meet me at the hotel later
You can bring a friend
Hey girl can you keep a secret
My body on your body baby tell me can you keep up
I hope you don't kiss and tell
Cuz I really wanna treat you well
I love it when you ring my bell
Ou know you got me in your spell
She look like Rihanna
She no like no drama
She back me in the corner
Got me screaming ouu na na na
