Me Me Me

Kids in Glass Houses

We take 3 steps forward and 3 steps back she says "I don't like the way you're dressed"

So then 4 words later, she takes 4 back to say "I don't like the way you try your best to impress" you win.

Everything you do makes me wanna run home, will you get me going home please just get me going home

Give me what I want

Your glass half empty, your glass half full I think you've got some catching up to do your glass half empty, your glass half full I'd say you've got some catching up to do best to impress. You win everything you do makes me wanna run home, will you get me going home please just get me going home

Give me what I want

What is it you want me to know? I give up on you

Give me what I want
