

Knock You Down

KIDZ BOP Kids

Keep rockin' and keep knockin'
Whether you Louis Vuitton it up or Reebokin'
You see the thing that they're servin' on a platter
So what we gon' have, dessert or disaster?

I never thought I'd fall for you
As hard as I did
You got me thinkin' 'bout our life
Our house and kids

Every mornin' I look at you and smile
'Cause boy you came around
And you knocked me down
Knocked me down

Sometimes love comes around
And it knocks you down
Just get back up
When it knocks you down
Knocks you down

Sometimes love comes around
And it knocks you down
Just get back up
When it knocks you down
Knocks you down

I never thought I'd
Hear myself say
You all go ahead, I think I'm gonna
Kick it with my girl today

I used to be Commander-in-Chief
Of my own ship flyin' high
'Til I met this pretty little missile
That shot me out the sky

And till now I'm crashing, don't know how it happened
But I know it feels so, so good
Said if I could go back, make it happen faster
Don't you know I would, baby, if I could?

Sometimes love comes around
And it knocks you down
Just get back up
When it knocks you down
Knocks you down

Sometimes love comes around
And it knocks you down
Just get back up
When it knocks you down
Knocks you down

Tell me now can you make it past your Caspers?
So we can finally fly off into NASA
You was always the cheerleader of my dreams

That seemed to only date the head of football teams
And I was the class clown that always kept you laughin'
We were never meant to be, baby, we just happened

They say I move too quick but we can't let this moment pass us
Let the hourglass pass right into ashes
Let the wind blow the ash right before my glasses
So I wrote this love letter right before my classes

I'll admit it, I was scared to answer love's call
And if it hits, better make it worth the fall
When it comes around

Sometimes love comes around
And it knocks you down
Just get back up
When it knocks you down
Knocks you down

Sometimes love comes around
And it knocks you down
Just get back up
When it knocks you down
Knocks you down
