

# Sing

KIDZ BOP Kids

It's late in the evening  
I'm on the side now  
I've been sat with you  
For most of the night  
Ignoring everybody here  
We wish they would disappear  
So maybe we could just talk now  
I don't wanna know  
If you're getting ahead of the program  
I want you to be mine, lady  
So everybody knows  
Take another step so that understand  
To the end of time lady

I need you darling  
Come on set the tone  
If you feel you're falling  
Won't you let me know, oh ooh, oh ooh  
If you love me come on let me know  
Feel the music move you from your head to toe, oh ooh, oh ooh

Sing, oh oh, Oh oh  
Louder, oh oh  
Sing, oh oh

This love is a blaze  
I saw flames from the side of the stage  
And the fire brigade comes in a couple of days  
Until then we got nothing to say and nothing to know  
But something to sing and maybe to joke  
Let it go until I wrote a change singing we found love in a local place, no  
I don't really know what i'm supposed to say  
But I can just figure it out and hope and pray  
I told them my name and said it's nice to meet ya  
Then she handed me of a bottle of water, said nice to meet ya

I already know she's a keeper  
Just from this one small act of kindness, i'm in deep  
If anybody finds out i'm meant to drive home  
But I've sung all of it now, waiting it out  
I just sit on the couch one thing led to another now I'm running my mouth

I need you darling  
Come on set the tone  
If you feel you're falling  
Won't you let me know, oh ooh, oh ooh  
If you love me come on let me know  
Feel the music move you from your head to toe, oh ooh, oh ooh

Sing, oh oh, Oh oh  
Louder, oh oh  
Sing, oh oh

Can you feel it?  
All the guys in here don't really wanna dance  
Can you feel it?  
All that I can hear is music from the back

Can you feel it?  
Found you hiding here so hoped you'd take my hand, darling  
Before the beats kicks in again  
Can you feel it, oh  
Can you feel it, oh no no no?

(Oh, oh) I need you darling  
Come on set the tone  
(oh, oh) If you feel you're falling  
Won't you let me know (louder), oh ooh, Oh ooh  
(Sing oh, oh) if you love me come let me know  
(Oh, oh) feel the music move you from your head to toe (louder), oh ooh, Oh  
ooh  
Sing
