Hey

[Verse Shot a man in Laredo
Was do or die, was toe-to-toe
Cross the border, then I'm free
Yeah, she got everything I need

She's like agave to my tequila
Face of an angel, tastes even sweeter
Mi mariposa, mi señorita
She's always there when I need to see her

Twenty miles more to go
Could almost taste my Mexico
When I saw those flashing lights
On my back, looking for a fight

She's like agave to my tequila
Face of an angel, tastes even sweeter
Mi mariposa, mi señorita
She's always there when I need to see her
Could almost taste my Mexico

Hey, huh
Hey, huh
Hey, huh
Hey, huh

"Out of the car, put your hands up high"
Well, you're not taking me alive
Grab my pistol from the floor
And slowly open my car door
Time slows down, my blood runs cold
Now I know I'll never get old

She's like agave to my tequila
Face of an angel, tastes even sweeter
Mi mariposa, mi señorita
She's always there when I need to see her
Could almost taste my Mexico
