

Down in a Hole

Kiefer Sutherland

Down in a hole at bottom of bottle
Took a wrong turn with your foot on the throttle
Can't figure out when life got so hollow
You turn to beg, yeah you turn to grovel

Cause you're down, down in a hole
Yeah you're down, at the end of your rope
I can't hear your shout, causes no way out for you

I'm talking to you, yeah you in the mirror
Stain on your shirt from yesterday's dinner
Couldn't keep it down, sure look like a winner

Got on your knees, and pray like a sinner you're down
Down in a hole
Yeah you're down, at the end of your rope
Can't hear your shout, causes no way out for you
COME ON!!!

I could hear the sirens wail
The gravedlgger comes and puts you to bed
The bottle don't claim another one dead
The pain and suffering, is gone from your head
Could have been cool, but you dead instead.
Now you're down, Down in a hole
Yeah you're down, at the end of road
I can't hear your shout, causes no way out for you
