

Reckless & Me

Kiefer Sutherland

Town to town, place to place
I feel the lights upon my face
A hundred miles left to go
I pray to God it doesn't snow

Reckless and me, oh, oh, oh
Whistle restless and free, oh, oh, no
And it's two for the show
At tonight's rodeo

I traveled light, we kept it lean
Dime money is all we've seen
But it's the road we chose to take
And all we need is just one break

'Cause reckless and me, oh, oh, oh
So restless and free, oh, oh, no
But we're ready to go for tonight's rodeo

Well I can't remember a time when you weren't by my side
From out of the box to the end of every ride
Nowhere to hide, nowhere to hide

I hear the crowd, stands are full
And on my reins, I gently pull
A hoof in the sand, marking off half
I drop my rope and tip my hat
And we don't look back

Reckless and me, oh, oh, oh
So restless and free, oh, oh, no
And it's two for the show at tonight's rodeo
Two for the show at tonight's rodeo
