People  
Go on & be who God called you to be  
People  
Don't be afraid  
Walk in your authority  
It's in your swag (It's in your swag)  
Not appearance or style  
But if you live like Christ (Like Christ)  
People  
Let's be who God called us to be

What you have to aim for  
Is a quiet life  
To love your neighbor  
As you would love yourself  
Ohhh (Praying without ceasing)  
Ohhh (And casting no stone)  
Remembering that if the righteous  
Scarcely make it in  
Then I have a job of my own

That swag  
It's not the  
The world swag  
But it's the kingdom  
Possessed  
But it's the  
Swag of the Christ  
Represent us, represent us

Let's be who God called us to be

What you have to aim for  
Is to mind your business  
Not involving yourself  
In silly gossip  
Whoaa (Fervent in the spirit)  
Whoaa (Discerning the Lord)  
Diligently & whole heartedly  
Living to the best of your ability

Pardon the swag fly  
Because my Father's image  
God is truly blessin'  
So I'm walkin' like I'm known for winnin'  
Head to toe  
Daily blessings flow  
Don't be hatin', no  
As yall got us on the mark Ready, set, go  
Aint takin' no  
But goin' harder than they ever thought we would  
Daily I'm walkin' harder  
I deserve a second look  
Steps is order  
Like Aye, aye, aye  
Fresh like Tye  
Got me lookin' good  
Readin' good  
Christ is on my mind  
So I'm speakin' good  
Understood  
Who he is I'm reppin'  
When we steppin' in  
No question or no guessin'  
He's the reason for this message  
Okay, I let my banner wave  
I am not ashamed  
This my absolution  
Let you know that this is not a game  
Aye, people gather 'round  
Let us show you how to kick it  
Grab a chair  
Yell it loud  
Christ first  
Represent him
