Kierra Sheard

You are dependable
You are dependable
You are dependable
Merciful God

You are dependable
You are dependable
You are dependable
Merciful God

But for your mercy
My life would be over
God your mercy carried me over
And now I'm standing
Your mercy speaks for me
You are dependable merciful God

You are reliable
You are reliable

Merciful God

You are reliable

But for your mercy
My life would be over
God your mercy carried me over
And now I'm standing
Your mercy speaks for me
You are reliable merciful God

But for your mercy
My life would be over
God your mercy carried me over
And now I'm standing
Your mercy speaks for me

Full of mercy and of Grace
When we call your name
You show up
You're never late
You are dependable
