Grateful
Grateful

Flowers grow and we all know why
Rain falls down and we all know why
Stop and don't let it pass you by
Stop and see all the beauty on every side

There's a beat in my heart and a blink in my eye and it's faithful
There's a sun in the sky and a child running by so thankful
And it's simple
It ain't even really that deep
I'm just grateful
Don't make it harder than it needs to be
Be grateful

(Ohhhhhh)
It ain't even really that deep, be grateful
(Ohhhhhh)
Be grateful

Tears fall down and I don't know why (tears fall down and I don't know why)
Maybe cause everyday I get one more try (every day I get one more try)
And I take it I won't let it pass me by
All I see is the beautiful me on the other side

There's a beat in my heart and a blink in my eye and it's faithful
There's a sun in the sky and a child running by so thankful
You know that it's simple
It ain't even really that deep
I'm just grateful
Don't make it harder than it needs to be
Be grateful

(Ohhhhhh)
It ain't even really that deep, be grateful
(Ohhhhhh)
Don't go makin it deep be grateful
(Ohhhhhh)
It ain't even really that deep, be grateful
(Ohhhhhh)
Don't go makin it deep be grateful
(Ohhhhhh)
Don't go makin it deep be grateful
(Ohhhhhh)
Don't go makin it deep be grateful
(Ohhhhhh)
(Grateful)
(Ohhhhhh)
You didn't have to do it but you did oh (Grateful)
(Ohhhhhh)

(Grateful)
(Ohhhhhh)
It's so easy to forget
(Ohhhhhh)
Be grateful
