

Mo' Better

Kierra Sheard

I can go on, and on, and on about how You don't miss
You keep me going on, and on, and on, You make me feel like this
I promise it get mo' better, mo' better when I'm with You
It get mo' better, mo' better when I'm with You
It don't get no better than this

Ooh, I try without You
But I'm no good without You
I admit sometimes I doubt You
But then You prove me wrong
You keep my bread up
You keep my head up, I'm never fed up
And I ain't worried 'bout a hater, I got agents
And I'ma tell 'em 'bout you and make it better

I can go on, and on, and on about how You don't miss
You keep me going on, and on, and on, You make me feel like this
I promise it get mo' better, mo' better when I'm with You
It get mo' better, mo' better when I'm with You
It don't get no better than this

Ooh, You got me gone, I can't let You go
Ooh, gotta let You know that You're in my soul
You bless me and I can't keep up with it
I got my ride right be up with it
I might speed up with it
Gave me the life I dreamed of, I'm with it

I can go on, and on, and on about how You don't miss
You keep me going on, and on, and on, You make me feel like this
I promise it get mo' better, mo' better when I'm with You
It get mo' better, mo' better when I'm with You
It don't get no better than this

Promise You won't, promise You won't let me go
Give You all my time, I gotta let You know
Can't nothing come between us, we were made for two
There ain't nobody like You

Oh love, oh love
Is what I feel
Oh love, oh love
A love so real

Don't wanna let go, let go
Never, no
Don't wanna let go, let go
Never, no

I can go on, and on, and on about how You don't miss
You keep me going on, and on, and on, You make me feel like this
I promise it get mo' better, mo' better when I'm with You
It get mo' better, mo' better when I'm with You
It don't get no better than this

Don't get no better
Don't get no better

You're so good
Yeah
