

One Step at a Time

Kierra Sheard

You're my vibe, You're my vibe
Love it when we're side by side
Moving up 'cause You're my sky
No rush

One step at a time
One step at a time
One step at a time
One step at a time

Take me back
I wanna feel the way I felt
When I was finding You myself
You knew where I was at
I needed answers, had no clue
But I would find myself in You

While I was sitting up in my room
It became so clear to me
What You give is all I need
In You I move

You're my vibe, You're my vibe
Love it when we're side by side
Moving up 'cause You're my sky
No rush

One step at a time
One step at a time
One step at a time
One step at a time

Never over night
I know I gotta put in the time
The way You make me feel I don't mind
I'm building this to last
Strong foundation, You're my rock
You make up for what I'm not

While I was sitting up in my room
You became so clear to me
What You give is all I need
In You I move

You're my vibe, You're my vibe
Love it when we're side by side
Moving up 'cause You're my sky
No rush

One step at a time
One step at a time
One step at a time
One step at a time

Whenever I'm with You my world's slow spinning
Whatever I go through with You, I'm winning
Nothing can come, come between us

We'll be together till the end

Whenever I'm with You my world's slow spinning
Whatever I go through with You, I'm winning
Nothing can come, come between us
We'll be together till the end

You're my vibe, You're my vibe
Love it when we're side by side
Moving up 'cause You're my sky
No rush

One step at a time
One step at a time
One step at a time
One step at a time

You're my vibe, You're my vibe
Love it when we're side by side
Moving up 'cause You're my sky
No rush

One step at a time (You, my world's slow spinning)
One step at a time (You, with You I'm winning)
Nothing can come, come between us
One step at a time

One step at a time
One step at a time
Yeah, yeah
