

Something Has To Break

Kierra Sheard

I feel it in this room
Holy Spirit move
Cause when You have Your way
Something has to break
Tear down every lie
Set the wrong thing right
Cause when You have Your way
Something has to break
Something has to break

Right now in Your name
Something has to break
Something has to break
Right now in Your name
Something has to break

I believe You'll get me to it
I believe You'll lead me through it
I believe that You will do it right now
Something has to break

I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break

I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break

I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break

I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break

I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break

I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break

Something has to break
Something has to break
Something has to break
Something has to break
Something has to break
Something has to break

Something has to break
Something has to break

It's going to break right now
It's going to break right now
It's going to break right now (Break right now)

Doesn't matter what it is
You've been praying for a long time
You've been waiting for a long time (Waiting for a long time)

It's breaking, It's breaking
It's breaking, It's breaking
It's breaking, It's breaking
It's breaking, It's breaking
It's breaking, It's breaking
It's breaking, It's breaking
It's breaking, It's breaking
It's breaking, It's breaking
It's breaking, It's breaking

I believe that You will do it
I believe You'll get me to it
I believe that You will do it right now
Something has to break
I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break
I believe You'll lead me through it
I believe You'll get me to it
I believe that You will do it right now
Something has to break

Something has to break
Something has to break
Something has to break
Something has to break
Something has to break
Something has to break
Something has to break
Something has to break
