

Wrong Things

Kierra Sheard

[Chorus:]

You
I just wanna walk and talk with (You)
Every minute of my time with (You)
All I wanna be about is You)
'Cause I can't live without You
Wherever I go I wanna see You
No matter who is watchin' me You
Everyday that I wake up You
'Cause I can't get enough of You

[Verse 1:]

Thought of people callin' me, tryin' to get my attention
Do some things I ain't suppose to, lead me in the wrong directi
on
But the only road for me, is to where ere You are
I will follow You wherever, no matter how near or far

[Chorus]

[Verse 2:]

Same old movie, same show, and I don't wanna see it
Same old song on the radio, and I don't wanna hear it
Same old people goin' left, and I wanna be right
I'm leavin' them for good now
What I need in my life is

[Chorus]

Oh You, oh You, oh oh oh

[Kierra: Raps]

You're not the ordinary, You're so far above
I'm sort of a fanatic, it's way more than love
It's more than just a feelin', it's not just a touch
I wish that I could tell You, but words ain't enough, uh

[Chorus]

[music plays out]
