

Christmas Without You

Kiesza

I put on that same old smile today
Walking through a memory again
Looking out my window
Like I do
Thinking of you
Finger painting memories on the fog
I can feel you echo where you're not
Everywhere you whisper to my heart
Wherever you are

It's Christmas time
And I long for you
Every memory
Is a haunting dream
I don't know what to do
It's Christmas time
Will I make it through
Yeah I know things change
Still it ain't the same
It ain't Christmas without you

Christmas without you
It ain't Christmas without you
Without you...

Christmas
Without you

Memories make my heart break
The ones that I chase
Broken little pieces of what was
I always watch the wind blow
The way our love flows
A trillion diamonds in the rough

Yeah it's Christmas time
And I'd die for you
Every memory
Is a haunting dream
I don't know what to do
It's Christmas time
Will I make it through
Yeah I know things will change
It still ain't the same
It ain't Christmas without you

Christmas without you
It ain't Christmas without you
Without you...

It ain't Christmas
Without you

Without
