

Heaven After Dark

Kiesza

I've been down this road before
And I don't know what to do
I've made the same mistakes and Lord
I can't help myself it's true
When we go all night
Forget everything I do
I've been down this road before
And tonight I'm taking you, let's get it

I've been down this road before
And I don't know what to do
I've made the same mistakes and Lord
I can't help myself it's true
When we go all night
Forget everything I do
I've been down this road before
And tonight I'm taking you, yeah

4, 5, 6, hit all the right shit
Showing up the party in a red lipstick
Spending all the money till they got nothing
Don't stop, don't stop, don't stop, dit it
Tight shirt, tight jeans, so mean
Everybody looking at the dancing queen
She looking at you and you know that she means
Don't stop, don't stop, don't stop, get it

It's true
It's—
Heaven ain't calling me
Heaven ain't calling me
It's true
It's—
Heaven ain't calling me
Heaven ain't calling me

This life, it ain't 'bout perfection, it's about living
I lean in close right over your earring
I say your shorty know what I'm thinking
Just let the hoe right outta your system
Been here before but give me the tour
The bar is closed but I am still tipping
If we do this now tomorrow you'll be limping
I'm like the caller, I am big pimping
Commit the sin, I give you courage, do it
Yeah might regret it later, pft, screw it
It's just this pressure, depends on how you view it
Know you say you want me but I knew it
This a bad idea but I knew it
Need a boundary wall but I'm fluid
Bouncing off the wall to the music

Let's get it
Let's get it

It's true
It's—

Heaven ain't calling me
Heaven ain't calling me
Yeah it's true
It's-
Heaven ain't calling me
Heaven ain't calling me

Yeah yeah
