

I Go Dance

Kiesza

Cuz I go high
And you got money
Your pockets dry
It's raining on me
You think you're mine
I think it's funny

When I go dance
I go dance
I go dance
I go dance
Just keep it coming

I go dance
I go dance
I go I go I go dance
I go dance
Just keep it coming
I go I go I go dance
I go dance
I go I go I go I go I go dance
When I go dance
I go dance
I go dance

Cuz I go high
And you got money
Your pockets dry
It's raining on me
You think you're mine
I think it's funny

When I go dance
I go dance
I go dance
I go dance
Just keep it coming

When I go dance
I go dance
I go dance
I go dance

I know why you came
You don't have to say
I can be the love
That you wanna feel
We can play the game
But you know your place
I might take what you got
But you get the thrill
I know what I am
Baby what are you
I'm the paradise
In your broken mirror
Heal you from above
That's what angels do

You create your hell
I make it disappear

Cuz I go high
And you got money
Your pockets dry
It's raining on me
You think you're mine
I think it's funny

When I go dance
I go dance
I go dance
I go dance
Just keep it coming

I go dance
Just keep it coming (Just keep it coming)
Just keep it coming (Just keep it coming, oh)

Cuz I go high
And you got money
Your pockets dry
It's raining on me
You think you're mine
I think it's funny

When I go dance
I go dance
I go dance
I go dance
Just keep it coming

(Oh yeah, I go dance)
Just keep it coming

When I go dance
I go dance
I go dance
I go dance
Just keep it coming

I go dance
I go dance
I go I go I go dance
I go dance
I go dance
I go I go I go dance
I go dance
I go I go I go I go I go dance
I go dance
I go
