Naked

Kiesza

I ain't making this sad song
You won't get the satisfaction
Do come cryin when you relapse
We both know you will
I won't be there when you crawl back
You can rock me but I can't drown
Just keep talking but I checked out
Boy you know I'm in my own class
You ain't good enough
Sayonara, take that

Now you're gone
Dancing on my own
Singing to myself
While I'm naked with my headphones on
All gone
Dancing like a star, yeah
It feels right
Breezing through the night
Whistle to myself
While I'm naked with my headphones on
All gone
Dancing like a star

Whistle to myself
While I'm naked with my headphones on
Whistle to myself
While I'm naked with my headphones on
Whistle to myself
While I'm naked with my headphones on

I ain't shaken from your bad luck
I ain't jaded by your bent love
Heart be broken if you had one
Don't deserve me now
Boy you did it all bad
You can't break me cuz I ain't glass
You can't hurt me cuz I'm badass
Boy you know I'm in my own class
You ain't good enough
Sayonara, take that

Now you're gone
Dancing on my own
Singing to myself
While I'm naked with my headphones on
All gone
Dancing like a star, yeah
It feels right
Breezing through the night
Whistle to myself
While I'm naked with my headphones on
All gone
Dancing like a star

Whistle to myself
While I'm naked with my headphones on

Whistle to myself
While I'm naked with my headphones on
Whistle to myself
While I'm naked with my headphones on

Oh, I'm letting time run away
Forgetting you for good
I'm right where I need to be
Oh, time is flying away
Forgetting you for good
All that I need is me

It feels right
Breezing through the night
Whistle to myself
While I'm naked with my headphones on
All gone
Dancing like a star

Whistle to myself
While I'm naked with my headphones on
Whistle to myself
While I'm naked with my headphones on
Whistle to myself
While I'm naked with my headphones on

Oh, I'm letting time run away
Forgetting you for good
I'm right where I need to be
Whistle to myself
While I'm naked with my headphones on
