

Run Renegade

Kiesza

Maybe you don't approve of the way I am
Or maybe you do
Either way I'm not giving an excuse
Because I'm not changing for you
Why are you telling me to be different like
I've got something to lose
You listening to me
'Cause now I'm telling you
I don't got nothing to prove

I let my love run renegade
Better get yourself out of my way
Gotta let me heart make its mistakes
I let my love run renegade
I let my love run renegade
No ones going to lock me in a cage
Gotta let my heart make its mistakes
I let my love run renegade

I know you gonna say what you wanna say
That's fine by me
Anyway, your talk's cheap
And it doesn't mean a thing
'Cause I'm not listening no no
Let it fall let it all rain down on me
I've been there you know
Telling you I won't stop
I'm never giving up
And my blood will never run cold

I let my love run renegade
Better get yourself out of my way
Gotta let me heart make its mistakes
I let my love run renegade
I let my love run renegade
No one's gonna lock me in a cage
Gotta let my heart make its mistakes
I let my love run renegade

I let my love run
I let my love run
I let my love run renegade
I let my love run
I let my love run
I let my love run renegade
I let my love run renegade
Better get yourself out of my way
Gotta let my heart make it's mistakes
I let my love run
I let my love run
Gotta let my love run renegade
Better get yourself out of my way
Gotta let me heart make its' mistakes
I let my love run renegade
I let my love run renegade
No ones going to lock me in a cage
Gonna let my heart make its mistakes

I let me love run renegade

I let me love run

Yah-ey-ah-ey-ah

I let me love run

Yah-ey-ah-ey-ah

I let me love run

Yah-ey-ah-ey-ah

I let my love run renegade
