

Runway

Kiesza

To the runway
You better walk
To the runway
You better walk
To the runway
You better strut
Okay, okay okay okay
And the beat just drop

Drop it like you want me
Gimme all you got
Get what you came for
Come on, make it hot
Eat what you're feeling
Body on a ride
Ride on the wave and a vibe
I'm awake and you just [?]

To the runway
You better walk
To the runway
You better walk
To the runway
You better strut
It's a good, good, good, good time right now, hey
And the beat just drop

Blow a kiss across the room
Hey, sexy stranger, come to ma
Slip right over next to me
Sipping [?] in the club
Just pretend that you let me
[?] give me more
Let's escape with the moment
Break my heart on the dancefloor

Break my heart on the dancefloor
Break my heart on the dancefloor

Drop it like you want me
Gimme all you got
Get what you came for
Come on, make it hot
Eat what you're feeling
Body on a ride
Ride on the wave and a vibe
I'm awake and you just [?]

Blow a kiss across the room
Hey, sexy stranger, come to ma
Slip right over next to me
Sipping [?] in the club
Just pretend that you let me
[?] give me more
Let's escape with the moment
Break my heart on the dancefloor

Ah yeah, ah yeah
Break my heart on the dancefloor
Ah yeah, ah yeah, ah yeah
Break my heart on the dancefloor
