

Sweet Love

Kiesza

Open up my window, let a little wind blow
You catching my drift
You need me, I'm a psycho, creep into my shadows
Crunch yourself a wish
Give yourself a break when making no mistake
But maybe that's okay for us
Have a little fun, don't worry what we done
Don't matter when we wake up

Then you lie down
Turn the light off, lie down, lie down
Then you lie down
Turn the light off, lie down, lie down

Now we're breaking rules but they ain't breaking us
Cause it's such sweet love, it's such sweet love, it's such sweet love
Might be cheating fools but there's no cheating us
Cause it's such sweet love, it's such sweet love, it's such sweet love

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
It's such sweet love, it's such sweet love, it's such sweet love, oh

Want me for a moment, meet me all alone
I know that you want this
Baby if it's hopeless, might as well be reckless
Scratch it off your checklist
It won't be enough, pretending it ain't what we want
We'll only want it more
Let it just be us now, have a little trust
Give your body what its hoping for

Then you lie down
Turn the light off, lie down, lie down
Then you lie down
Turn the light off, lie down, lie down

Now we're breaking rules but they ain't breaking us
Cause it's such sweet love, it's such sweet love, it's such sweet love
Might be cheating fools but there's no cheating us
Cause it's such sweet love, it's such sweet love, it's such sweet love

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
It's such sweet love, it's such sweet love, it's such sweet love
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
It's such sweet love, it's such sweet love, it's such sweet love

It's all I want, you're all I want
The only one, and it's begun
It's all your are, I'm all you are
Can't be undone, and it's begun

Now we're breaking rules but they ain't breaking us

Cause it's such sweet love, it's such sweet love, it's such sweet love
Might be cheating fools but there's no cheating us
Cause it's such sweet love, it's such sweet love, it's such sweet love

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah

It's such sweet love, it's such sweet love, it's such sweet love

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah

It's such sweet love, it's such sweet love, it's such sweet love

It's such sweet love
