

You're The Best

Kiesza

I like that you get high
Outta sight, outta mind
See a place where you can hide
In your eyes, it's sublime

Floating, over yesterday
I wish you had taken me
I feel better in your hands
One life, what's that supposed to mean?
You're bad but it's good for me
You're still fucked up
When you live it perfectly

You been getting higher, are ya
Lost in these four walls?
And we're inspired, higher
Falling in love, you a pull me under

I got nothing left, it's for the best
'Cause I got you
It's a fucking mess but I'm the best
When I'm with you

You're the best
You're the best

I love the questions that you rise
Underneath all the lies
You pull the shackles from my eyes
Next to you I'm alive

Floating, over yesterday
I wish you had taken me
I feel better in your hands
One life, what's that supposed to mean?
You're bad but it's good for me
You're still fucked up
When you live it perfectly

You been getting higher, are ya
Lost in these four walls
And we're inspired, higher
Falling in love, you pull me under

I got nothing left, it's for the best
'Cause I got you
It's a fucking mess but I'm the best
When I'm with you

You're the best
You're the best
You're the best
You're the best
You're the best
You're the best
You're the best
(You're the best)
