

## GROUNDWORK

KiiiKiii

All you need is something to be  
And something to believe in  
All I burn is something repeated  
And something to trust in  
All you learn is off of the book  
And off the screen you're lookin'  
All we drink is boost potions  
And level up on funky slippers  
All we show is pretty trash  
And go wild on imperfection

Nan jilmuni mana  
Wink and question mark  
Motsaenggjin geulssirodo jeonggogeul jjireuji  
Silsu yeoksi naya  
Weird and unique me  
Sontobeuro digging deep into the Earth (sijakae)

Groundwork  
'Til you crown us  
Burn the bad world  
Do that groundwork

Dig deep, weeds out  
No damage, just work  
There's no role model  
No cap, no sleep

Jangnan eopsin mot hae  
That's just what I feel  
Han kkeut chaingeol tteollimgwa seollem  
Cheoeumbuteo arasseo  
This will be my field  
Pyeongbeomhagen an hae superpower seed (sijakae)

Groundwork  
Light a firework  
Burn the bad world  
Do that groundwork

All you need's a beat

Do the groundwork  
(Aiem geuraundeu jagisogaehagi urin ha-am and soom)  
Neohago neo, Groundwork
