Da-da-da, da-da-da-da  
Da-da-da-da-da, da-da-da-da  
Da-da-da-da-da, da-da-da-da  
Da-da-da-da-da, da-da

I could go somewhere  
Maybe anywhere  
My intuition never fails me  
Just feel it  
A butterfly on the tip of my finger  
That's my living ring  
Don't worry about me! no!  
Imma shine like I was meant to shine

Feel the breeze  
The sound that only I can hear  
I can tell myself that

I do me, I do me right  
Just I do me, I do ma way  
Other pictures turn upside down  
In the end, it's the path that I chose

Other people's eyes, why do you care?  
I'm just going to run however I want  
Still, pinky sunset glow, put on my wings

'Need to do this'  
'Need to go there'  
Don't care one bit  
I'll end up being 'me'  
Bean ladybug  
That's my piercing  
I'm screaming yeah!  
I'm better when I'm doing it my way

Feel the breeze  
The sound that only I can hear  
I can tell myself that

I do me, I do me right  
Just I do me, I do ma way  
Other pictures turn upside down  
In the end, it's the path that I chose

Other people's eyes, why do you care?  
I'm just going to run however I want  
Still, pinky sunset glow, put on my wings  
I run in the air!

Sleepless night, I look up at the moonlight  
Maybe, I'm the odd star out  
Maybe, whenever I doubt my dreams  
Keep it in your soul

I was a bigger person  
Than I ever imagined  
My fearless face, no need to chase  
Eyes closed and I hear the whispering

"I do me, I do it my way!"

I do me, I do me right  
Just I do me, I do ma way  
Other pictures turn upside down  
In the end, it's the path that I chose

Other people's eyes, why do you care?  
I'm just going to run however I want  
Still, pinky sunset glow, put on my wings  
I run in the air!
