Beyond Control

Kiki Dee

(Yeah yeah)
(Yeah yeah)
(Yeah yeah)
(Yeah yeah)

Self obsession (yeah yeah)
First impressions are the ones that last
Self obsession (yeah yeah)
What ever happens it's all in the past

Limitations (yeah yeah)
Don't tell me about the stuff you've fenced
Time for sadness (yeah yeah)
Signs of madness

(Beyond control) voices in my head
Here they come again
(Beyond control) don't try to fight
It always ends up there (beyond control)

Now you feel betrayed
Also all so alone (beyond control)
Gonna swallow you whole
It's beyond control

Good intentions (yeah yeah)
Build me up, build me up
No pretentions (yeah yeah)
And nothing I can tell

Self obsession (yeah yeah)
First impressions are the one that last
Self obsession (yeah yeah)
What ever happens it's all in the past

(Beyond control) voices in my head
Here they come again
(Beyond control) don't try to fight
It always ends up them (beyond control)

Now you feel betrayed
Also so alone (beyond control)
Gonna swallow you whole
It's beyond control

(Yeah yeah)
(Yeah yeah)
(Yeah yeah)
(Yeah yeah)

Well, I believe that there's a easier way (yeah yeah)
It's hard to take such a power to chose it
