

## Do It Right

Kiki Dee

I've often thought of leaving you behind  
Though I know without your eyes  
I'd soon be blind  
And sometimes I've imagined  
That I could make it on my own  
But I don't think I could make  
All the hard time alone

There's a strange voice  
Inside of me it says  
You're the best  
And you don't need the rest  
They only tie you down

When you're feeling free  
And I shouldn't really let it  
Get a hold over me

'Cause if I'm going do it  
I wanna do it right  
If I ever leave you  
You know I'll leave you in the broad daylight

But that's the last thing  
That I'm likely to do  
'Cause you know I've discovered  
Something special here with you

I've often thought I'd like to go away  
But I know without your eyes I couldn't stay  
And sometimes I've imagined  
That I could make It on my own  
But I know I couldn't face  
All the hard time alone
