

Who's always there
When you're down
On a cold lonely night
Who, tell me who

Who cries for you
Who prays for you
When you're gone
Baby, come on home

Who, I'll tell you who
Baby, I'm the one
I'm the one who cries for you
Who lives for you

Baby, I
I'll die for you
See that leaf
Lying there on the ground

Well, pretend it's me
Pick me up
Don't let me down
Come on rescue me

You are the rain in my eyes
I can't leave without you
There'll be no me

Baby, I
Baby, I'm the one
I'm the one who cries for you
Who lives for you

Baby, I
I'm gonna die for you
Baby, I
I'm gonna cry
I'm gonna die for you
