

Nowhere To Hide

Kiki Dee

Walking home
In the dark
Even though I'm all alone
I know you won't be far away
Standing in the shadows of love yeah

In the cold
Light of day
When I feel the premonition
Of where or when you back again
Standing in the shadows of love yeah

(Trying to forget)
Maybe I'm mistaken
(Everywhere you go)
I know there's no escaping
(No matter how you run)
I'm never gonna get away

Nowhere to hide, nowhere to hide
Nowhere to hide, nowhere to hide
Nowhere to hide

I can't go anymore
To the places that remind me
Of all the things I loved before
Looking through the shadows of love yeah

What you want? Let me go
Though you couldn't stop me leaving
Baby you don't need one more
Standing in the shadows of love yeah

(Trying to forget)
Maybe I'm mistaken
(Everywhere you go)
I know there's no escaping
(No matter how you run)
I'm never gonna get away

Nowhere to hide, nowhere to hide
Nowhere to hide, nowhere to hide

(Trying to forget you)
Maybe I'm mistaken
(Everywhere I go)
I know there's no escaping
(No matter how I run)
I'm never gonna get away
Nowhere to go

Nowhere to hide, nowhere to hide
Nowhere to hide, nowhere to hide
Nowhere to hide, nowhere to hide
Nowhere to hide, nowhere to hide
Nowhere to hide
Nowhere to run, nowhere to hide

Nowhere to run, nowhere to hide
Nowhere to hide, nowhere to hide
