

Wild as Can Be

Kiki Dee

The past is dead
Who knows what tomorrow holds
The past is dead forever
So turn off the headlights
Look at the stars
Throw back your head breath in the air

I'm wild as can be
I'm wild as can be
I'm wild as can be
Wild

This is the time
Nothing can stop me now
This is the time to spin the wheel
This never-ending circle is going to end soon
One way or the other I will reach a breakthrough

I'm wild as can be
I'm wild as can be
I'm wild as can be
Wild
