

Taxman

Kiki Rockwell

I've given you all my love
It's time that you paid up

'Cause I want what I am owed
'Cause I want what I am owed
Baby, I'm the taxman kicking down your door

I've shown you what I am
I wish you'd give a damn

'Cause I want what I am owed
'Cause I want what I am owed
Baby, I'm the taxman kicking down your door

I've sacrificed the lamb
I've soiled the sacred land

'Cause I want what I am owed
'Cause I want what I am owed
Baby, I'm the taxman kicking down your door

(Knock knock, motherfucker, ha)

'Cause I want what I am owed
'Cause I want what I am owed
'Cause I want what I, want-want what I
'Cause I want what I am owed
'Cause I want what I am owed (Want what I am)
'Cause I want what I am owed
'Cause I want what I, want-want what I
'Cause I want what I am owed
'Cause I want what I am owed (Want what I am)
'Cause I want what I am owed
'Cause I want what I, want-want what I
'Cause I want what I am owed
'Cause I want what I am owed (Want what I am)
'Cause I want what I am owed (Want what I am)
'Cause I want what I am owed
'Cause I want what I am owed (Want what I am)
'Cause I want what I am owed
'Cause I want what I am owed (Want what I am)
'Cause I want what I am owed
