Hol' up
I almost won't have to look oh nah
Love may be funny to you oh nah
How many have you had before?
I wanna know you
I really wanna know you
Baby

I suppose you get sad
And you don't know why you're lonely
Some of these nights
Oh and i'm here with you
So tell me

I wanna know you
I really wanna know you

The habit of chewing your hands
Your tone is easily misunderstood
And your bad habits
I care babe

She's 2-2-21 now
The ambiguous smile yes or nah?
What she let go of
Hand carry carry she's mine

You wanted to cry right? leaning without words
Love and people, you hate it all
Your heart closed off oh baby ooh
You had become numb

(I wanna know you
I really wanna know you)

Oh baby
Nobody can see you
They only judge you baby
You are avoiding

And hiding from this restrictive world
I wish yeah

No pretentious tone
The cold look in your eyes
Your tender heart
I care baby

She's 2-2-21 now
The ambiguous smile yes or nah?
What she let go of
Hand carry carry she's mine

Your pretty voice
I listened to it until my ears grew tired
All you spoke about was others
I didn't listen to what you said
I'm different from the others
Would you be mine? be mine?
But she said nothin'

Uh cuz she don't give a shhhh

She's 2-2-21 now
The ambiguous smile yes or nah?
What she let go of
Hand carry carry she's mine

She's 2-2-21 now
The ambiguous smile yes or nah?
What she let go of
Hand carry carry she's mine
