Kiley Dean

"?? ??"  
"? ??"  
"? ?? ?. ? ?? ?..."  
"? ?..."

? ?? ? ? ? ?? ?  
??? ??? ? ???? ?  
??? ???? Callin'  
Oh it's my fuckin' (shit)  
My fuckin' ex

? ? ???? ?  
? ? ? ? ? ?  
? ? ? ?

So ??? ? ?? ? ??  
? ? ? ? ? ? ?  
? ? ? ? ? ? ?  
? ???? But I say nothin'  
(But I say no..) "what?"

Cause I'm motherfuckin' good  
And I get that mo..  
I can tell this feeling  
My mo-mo-mo-motherfuckin' good  
I'm motherfuckin' good right now (right now)  
Hella good right now  
I can tell this feeling  
Mother, motherfuckin' good (right now)

"It's the police, open the door.  
Police, open the door! I mean, open the door.  
I need to talk with you for a moment, can you please open the door?  
We need to talk to you for a moment...  
We know you're in there"

"What are you taking?...Is it meds or something?"  
"No..."

A few empty glasses  
A few dozen messages  
My vision is too blurred  
Yet someone keeps on callin'  
Oh it's my fuckin' (shit)  
My fuckin' ex

But actually, I don't care  
I can't really remember you  
But beyond the handset, on the phone  
Why is your voice  
Sounding so unaffected

So...

How about you..

'Bout you, you doing well lately?  
How about that bastard  
Are you satisfied?  
So how about you  
'Bout you, you doing well?  
I was pretty curious  
But I said nothin'  
(But I say noth..)  
"What?"

Cause I'm motherfuckin' good  
And I get that money (woo)  
I can tell this feeling  
Mo-mo-mo-mo-motherfuckin' good  
I'm motherfuckin' good right now (right now)  
Hella good right now  
I can tell this feeling  
Mother-motherfuckin' good  
Right now...
