

Here & Now

Kiley Dean

You're so amazing
That body's blazin'
Everything I want
Everything I need
Girl, is right in front of me
Get a call on my phone
Leave ya man back at home
'Cause you know I'm the truth
When I know what to do
Oh, baby

There's no place I'd rather be than right here with you, babe
Ain't tellin' no lies
Just facts
I don't care about ya man no
Don't let it bother me
'Cause we both got a problem
Baby, here and now
You know you got it good

'Cause, baby, tonight I'm giving you all of me
You're all I need
You're my focus
Can't nothing get in between us
Enjoy the here and now

Got the weed on the way
Gon' pop that drank
We about to get it on
Two shots of patron
And we don't even need a chase
Boy, pull my hair
Please take it there
And do the things you'd never do to your girl

There's no place I'd rather be than right here with you, baby
Ain't tellin' no lies
Just facts
Baby, I don't care about ya girl no
Won't let it bother me
'Cause we both got a problem
'Cause tonight
I'm gonna let you have your way

'Cause, baby, tonight I'm giving you all of me
You're all I need
You're my focus
Can't nothing get in between us
Enjoy the here and now
The here and now

I swear you got me excited

Your loving takes me the highest
Baby, I know was outta control
I know what it is and I like it
If everything were for a moment
Baby, you know that it's worth it
You know what it is come give me the biz

'Cause, baby, tonight I'm giving you all of me
You're all I need
You're my focus
Can't nothing get in between us
Enjoy the here and now
The here and now
