

Coconut

Kilians

I am a coconut, I am a coconut,
What you say is way too mean, what you say is way too
mean.

You know I love you so, you know I love you so.
So why you're asking me to leave, why you're asking me
to leave?

'cause you will never know what you mean to me if you
let me go.

I am a coconut, I am a coconut,
What you say is way too mean, what you say is way too
mean.

You know I love you so, you know I love you so.
Why you're asking me to leave, why you're asking me to
leave?

'cause you will never know what you mean to me if you
let me go.

I will stop now, I'll stop now for you, if you carry me
home,
If you carry me home, if you carry me home tonight.

You will never know what you mean to me if you let me
go.

You will never know what you mean to me if you let me
go.

I will stop now, I'll stop now for you, if you carry me
home,
If you carry me home, if you carry me home
I will stop now, I'll stop now for you, if you carry me
home,
If you carry me home, if you carry me home.

'cause you will never know what you mean to me if you
let me go.
