

Inside Outside

Kilians

Now, that I found that luck it's just the other way around
I can't find no reason to go back to where I once belonged
I know this is the end 'cause I can see no light
no one who understand
No one who stays by my side

I'm inside I'm outside
I don't know where to go
I've been wrong I've been right
But nothing matters anymore
I felt lost - I left tired
I tried to reach you but you - you're not mine
You're not mine anymore
Not mine anymore

Now, that I lost that luck
It's just the other way around
I can't find no reason to go back
It never felt like home
I know this is the end
'cause I can see no lights
no one who understands
no one who stays by my side

I'm inside I'm outside
I don't know where to go
I've been wrong I've been right
But nothing matters anymore
I felt lost - I left tired
I tried to reach you but you - you're not mine
You're not mine
You're not mine anymore
Not mine anymore
