

# A New Medicine

Kill Hannah

a new medicine  
electrical  
a new medicine  
big shock, yea

sick boy  
walks in a void, ask anyone  
sick boy  
said i just wanna live  
gotta get my head all fixed

a new medicine  
electrical  
a new medicine  
big shock, yeah  
a new medicine  
shaking on your floor  
i just decided  
i just decided, i want to

sick boy  
say it's all the rage, tell everyone  
sick boy  
has big sick dreams to find a real sick girl

a new medicine  
electrical, oh  
a new medicine  
big shock, yeah  
a new medicine  
shaking on your floor  
i just decided  
i just decided i want to

anything  
i'll try anything twice

a new medicine  
electrical, oh  
a new medicine  
big shock, yeah  
a new medicine  
shaking on your floor  
i just decided  
i just decided, i want to
