```
oh there he goes again
high like a zeppelin
big eyes and under fed
```

she took him by the throat and said i love you, sick boy, yeah i love you, sick boy, yeah

his heart gets what it needs from shooting antifreeze laid out beside the bed

she took him by the throat and said i love you, sick boy, yeah i love you, sick boy, yeah

you are the real one
my s-i-c-k love
they begged me to avoid
my s-i-c-k boy

my s-i-c-k boy my s-i-c-k boy my s-i-c-k boy my s-i-c-k boy my s-i-c-k boy my s-i-c-k boy

 $\begin{array}{lll} \text{my} & \text{s-i-c-k boy} \\ \text{my} & \text{s-i-c-k boy} \end{array}$
