

# All In My Head

## Kill the Noise

It's all in my head, it's all in my head  
It's all in my head, it's all in my head  
It's all in my head, it's all in my head

It's all in my head, it's all in my head  
It's all in my head, it's all in my head  
It's all in my head, it's all in my head  
It's all in my head, it's all in my head

It's like, dude, you got to re-evaluate  
Your perspective and your priorities, because  
You started doing this because it was fucking fun, you know?  
It has to be fun  
Otherwise, you're just torturing yourself, you know?  
You're... you're stuck inside your own fucking head

It's all in my head, it's all in my head  
It's all in my head, it's all in my head  
It's all in my head, all in my head, it's all in my head  
It's all in my head, it's all in my head

It's all in my head, it's all in my head  
It's all in my head, it's all in my head  
It's all in my head, it's all in my head  
It's all in my head, it's all in my head
