

# How Ya Like Me Now

## Kill the Noise

I can't fault you for what you don't know  
(What you don't know can't hurt you)  
You think you know me, but you don't, but you don't

What you don't know  
What you don't know  
What you don't know  
What you don't know  
What you don't, what you don't  
What you don't, what you don't

How ya like me now?  
Ooh-ooh  
Ooh-ooh-ooh  
How ya like me now?

I'm what you've been looking for  
And I can't fault you for what you don't know  
And maybe you will finally see it  
When I walk away, I walk away

How ya like me now?  
Ooh-ooh-ooh  
How  
How ya like me now?  
Now, now, oh, whoa  
How ya like me now?

What you don't know  
What you don't know  
What you don't know  
What you don't know

How ya like me now?  
How ya like me now?  
How ya like me now?  
How ya like me now?  
Now, now  
How ya like me now?
