

Mirage

Kill the Noise

Pyrrhic victory
Shallow grave
Empty vessel
Ego slave

You're stuck in a wasteland chasing a mirage
This is not your sanctuary
Empty adoration fills your cup
As you beg on bended knees
So fixated on your dreams
Why won't someone worship me

Pyrrhic victory
Shallow grave
Empty vessel
Ego slave

You're stuck in a wasteland chasing a mirage
This is not your sanctuary
Empty adoration fills your cup
As you beg on bended knees
So fixated on your dreams
Why won't someone worship me
