

Ultraviolent

Kill the Noise

Ultraviolent

I feel violent, motherfucking mindless
I can't deny it, I will not survive this
Out of my mind, something opened up inside it
I feel violent

I feel violent, motherfucking mindless
I can't deny it, I will not survive this
Out of my mind, something opened up inside it
I feel violent
Ultraviolent

Ultraviolent

Violence
Lies
Blood
Money
Guns
Power
Suffer
God

Ultraviolent

Violence
Lies
