

Under Pressure

Kill the Noise

Under pressure
And I can't forget ya

I been tryna hold my breath
Breathing but there's nothing left
Wake up and I'm seeing red
Under pressure

Strangers messin' with my head
Learning but I can't forget
That I'm hanging on a single thread
Under pressure

Under pressure
And I can't forget ya

So pull me, pull me down
I'm running out of air, it's over now
I'm six feet under ground
I'm sinking deep and there's just no way out

Under pressure
And I can't forget ya
Under pressure
Under pressure
Under pressure
And I can't forget ya

So pull me, pull me down
I'm running out of air, it's over now
I'm six feet under ground
I'm sinking deep and there's just no way out

Under pressure
And I can't forget ya
