

What's next, what's the right way to go? Sometimes its better j
ust to go with the flow. Is part of growing up to take your abu
se? Is it mature just to let myself lose? You and me never see
eye to eye, Sometimes I want to fight, sometimes I want to cry.

How much longer can I take this pain? Theres nothing good, got
ten from this strain. I'm bending, bending, I'm gonna break. Ho
w much of this can one person take? It seems irrational, but I
just want to kill. It seems like making me suffer is how you ge
t your thrills. I'm the black sheep that you're pushing aside.
What are you afraid of, what is there to hide? What makes me di
fferent then the people you see? What is so wrong with just bei
ng me? The time has come to leave this behind All of this fight
ing's just a waste of time. We could make it work out if we tri
ed. When will you realize your problems' not mine. over.
